Improving English communication is a must in today's competitive world where English has become the global language of business. Lack of time is one of the main reasons for not doing enough to learn anything new. Today, let us look at some easy ways to [improve your English](#). Although practice is the only key to learn something new, it is also important to stay dedicated to your goal.

9 Tips To Improve English

1. Make mistakes- Only when you speak in English and make mistakes, the others will be able to help you correct your mistakes. Therefore, speak English at all times.
2. Involve your family, friends and work colleagues in your objective to improve English. Let them know that you are dedicated to improving English and would want their support and guidance. Only when you are surrounded in an English speaking environment, would you be able to learn actively.
3. Don't forget to practice the four main skills – reading, speaking, writing and listening. If you want to improve your English communication, you need to work on all the four at the same time.
4. Learn at least five new words in a day. Carry a notebook with you at all times and write down a new word as soon as you hear it. Make sentences using the words and improve your vocabulary.
5. Don't memorize words as you will soon forget them. Instead, remember an example where the word is being used. This way it is easier to remember the word and practice its use while speaking English.
6. Take test every week. There are ample online English speaking websites that will let you undertake a test. The score will definitely give you a motivation to work harder.
7. Set a long term goal- For instance, I will ask questions at the upcoming business conference without any hesitation. Once you have a goal, you have a motivation to work towards it.
8. Learn because you want to and not because you have to. If you love what you are doing, you will definitely achieve success.
9. Lastly, get help. If you are stuck at any point make sure to get your doubts cleared. You can join an online English program. It is the best way to learn a language and get the much needed confidence to speak in English. These online course providers let you enjoy sessions with an expert tutor and also mingle with

other students who aim to learn English.

Conclusion

Remember, you are never too young or old to start learning a new language. Therefore, don't make any excuse and start learning. Read an English newspaper daily for a few minutes, read out the articles loud and pen down your thoughts in a blog. To [improve your listening skills](#), get that remote and turn on an English series. To improve any language skill, you need dedication and rest all will follow. All the best!
