Now, no more excuses about not having time to [learn English](#). Today, we will talk about some small changes that you can make in your daily routine to make English learning a habit instead of a task. No need to spend hours each day, just 15 minutes is all you need to be well on your way to speak fluent English. Let's get started.

5 Tips To Improve Your English Quickly

1. Learn English from your smartphone

Don't you spend hours of time on your smartphone. Let's make this time productive and improve English while you are at it. Change the operating language to English on your phone. It is simple to do it, just go in your settings and change the language. This way you can learn new English words every minute of the day.

2. Listen to a podcast

Find a podcast of your interest, such as business, sports, etc., and listen to it every day. You can easily download a podcast on your phone and listen to it while travelling or exercising.

3. Watch news in English

While most of us like watching news in our native language, it is advisable to listen to news in English if you want to improve your language. Watch renowned channels like BBC or CNN and improve your vocabulary. Not only will you be gaining world news, but also you will develop the habit of improving your English language every day.

4. Listen to English songs

We all love listening to music to rejuvenate and relax. Why not listen to English music and try to understand the lyrics. In fact, several websites online share the lyrics which you can read and sing along. Isn't it a fun way to improve English? Moreover, it will not take much of your time. You can listen to English songs while working out or travelling.

5. Speak, speak, speak!

Yes, you read it right. Find a partner, a friend or a colleague, and practice English speaking every day. The more you speak, the better you will be acquainted with the language. In fact, the daily practice will make you feel more confident and less nervous while speaking in English with your manager or boss.

Conclusion

Make English learning a habit by including the above suggestions in your daily routine. If you enjoy the activity, you will definitely like to do more of it. Therefore, get going, dedicate 15 minutes of your time every day to [improve your communication](#). Best of luck.
