Immigrant is defined as a person who comes to live permanently in a foreign country. Are you an immigrant? Do you speak fluent English? Believe it or not, the law is making it mandatory for immigrants, especially settling in the U.S., to learn English as,official or not, it is the language spoken widely across the globe. Whether you have settled abroad due to your work or whether you are a housewife, it is necessary for you to learn the language, as it is the only way to settle in a new abode. The first step to your survival in a foreign state is related to your ability to speak English. If you want to get a citizenship or attain a driving license, it is best if you could speak English.

3 Reasons U.S. immigrants should learn English

1. Basic survival

If you are in the U.S., it is important that you speak at least elementary English. How will you order your meal or how will you travel to your work location and how will you do grocery shopping. Road signs, menu cards, legal forms, etc., all are in the English language. Besides, career advancement in the U.S. would be impossible if you can't speak English.

2. To know your rights

When you change your country and move to a foreign location, it is important for you to know your rights to defend yourself from any untoward event. If you can't read the rules applicable to immigrants and speak for your rights in a language that is understandable to the law/police, the situations might become really difficult to live.

3. To get US citizenship

One of the key requirements to become a fulltime citizen of America relates to your ability to read, write and speak English. If you have moved to the new place and considering how to learn the language, don't worry

as online English speaking courses can help you develop a good grasp over the language in a short time.

Conclusion

Beyond basic survival in a foreign locale, speaking English can hugely benefit one's own professional career. You can change jobs and get a good pay raise. You can make friends with your neighbors and enjoy a rocking social life. Besides, if you can speak fluent English, you can pass on the knowledge to your future generations and empower your children. The benefits of speaking English are myriad.
