## How to Write Various Greeting Messages

### Tips on how to write various greeting messages

There are several instructions that should be kept in mind while writing greeting messages. The instructions are as follows:

Instructions
<ol style="list-style-type: none"><li>1. Before you write a greeting message to someone, know who the person is. Is the person your husband or a close friend? If the person is your close friend you would certainly make personal comments. But if the person is one of your colleagues in that case do not make any personal comment. Make a general comment.</li><li>2. While writing a greeting message you should be careful about the occasion. If the occasion is a birthday or an anniversary messages like "Many many happy returns of the day", or "Wishing you a happy anniversary" can make the recipient feel important. Handwritten greeting messages can make the recipient feel happy and recognized.</li><li>3. Be careful of the language that you are using while writing greeting messages. If you are writing a greeting message to your old friend some humor can be added to it. But if the person is not known to you so well, it is better to avoid the use of humor.</li><li>4. If you are not sure about how to write greeting messages, you can use a book of quotes and use some other author's words to write greeting messages.</li></ol>
