Reading a newspaper is one of the most stressed upon activity by every English learning class. What is it about a newspaper that makes them an integral part of the English learning process? The newspaper is valued more because they provide content for daily conversations, increase knowledge about current affairs and a source for new reading materials daily. You can improve your [English speaking skills](#) to a great extent if you regularly read newspapers.

Six Ways To Read A Newspaper Article:

1. Look for interesting sections

Newspapers contain different sections catered to different audiences. They have special lifestyle sections as well. You can identify the sections that you love and would like to talk about. You may even read about crime news. This will help you to make choices and pick an area of your choice.

2. Regular practice

It is important to read newspapers every day. You should strive to make it like a second habit to you. Regular reading will instill the discipline required while learning English. It will keep you focused and more motivated to keep learning the chosen language. Regular practice is one of the foundations and the best [methods to learn English](#).

3. Change periodically

Do not stick to one newspaper. Regularly change them at intervals. This will make you aware of different writing styles and tones. It will also make your [English language vocabulary](#) more dynamic. You can also find different brands of newspapers and pick one according to your style and preference.

4. Discuss with others

You can discuss the information and news gathered from newspapers with your friends, family, colleagues or classmates. This will help expand and improve on your [English conversational skills](#) immeasurably. You can even expand your network of friends. At meetings or parties, newspapers, news and articles are a good way to break ice and start communicating. You get a chance to make new friends and improve your social skills. English learning becomes more fun as you make new contacts. They will be of valuable help as you advance on your English learning journey.

5. Understand the context

Try to understand the different situations under which the English vocabulary is used. This will make you understand the meaning of words without referring to the dictionary. At times, you may be hard pressed for words to frame sentences for various scenarios. Reading newspapers and understanding the context under which the report was made will help you to identify words to be used in certain situations. This will greatly improve your English speaking skills.

6. Read it in mind

Unlike novels and other books, newspapers are to be read in your mind. Reading newspapers quietly is part of etiquette. It will equip you with silent reading ability. It will increase your mind retention power as well.
